

Amendment Number IV to the 2015-2016 HCC Bulletin

Page 56 – Classroom Policies & Requirements changes:

1. Students are REQUIRED to make a reasonable and appropriate effort to succeed in a course. This includes the following:
 - purchasing all required materials for the course, as stated in the syllabus, such as textbooks, laboratory manuals and tools
 - attempting homework assignments and tests
 - preparing for class
 - participating in classroom discussions and activities

If the student fails to abide by these guidelines, they may be administratively withdrawn from the course.

2. Students should silence and store electronic devices when entering classes and school activities where usage could interrupt proceedings. Failure to do so may lead to disciplinary actions.
3. Students are required to attend class from beginning to end; late arrival or early departure may constitute an absence.
4. Students should be notified by instructors via Holmes email if class is cancelled. If an instructor fails to notify students and does not report for class, students are to wait until they are officially dismissed by appropriate Holmes personnel.
5. Students should not be called from class unless there is an emergency.

Page 64 – Selected Technical and Career Programs List Changed:

Industrial Maintenance Mechanics Technology has been added to the Absence Policy for listed programs.

Page 65 – Selected Technical and Career Programs Absences Policies Changed:

Industrial Maintenance Mechanics Technology: Three and one-half days of absences are allowed.

The following academic courses have been added or changed:**Page 221 – Criminal Justice Administration Technology.**

CRJ 1343 – Police & Community Relations and CRJ 1353 – Practicum in Criminal Justice have been added to the list of Approved CRJ electives.

Page 259 – Army

AMR 1112 – Foundations of Officership has been changed to AMR 111(2-3). One to three lectures. One to three hours laboratory.

AMR 1122 – Basic Leadership and Lab has been changed to AMR 112(2-3). One to three lectures. One to three hours laboratory.

Page 270 – Education

The Pre-Requisite for EDU 1613 has been changed to ENG 1113.

The following Academic Programs of Study have been changed.

Athletic Training

Total	16 Hours	Total	16 Hours

*Consult with your chosen transfer college to determine changes to this curriculum.

**It is strongly suggested that students seeking a Physical Education (P.E.) Licensure prepare themselves to teach in one additional discipline. The Mississippi Department of Education requires 21 semester hours of prefix-specific courses with a grade of "C" or better. Some of the common supplemental endorsement areas are English, Communication, Social Studies, Mathematics, and General Science.

It is strongly recommended that students complete the Praxis Core Academic Skills for Educators (CORE) – (formerly Praxis I) examination prior to transferring (if required).

Sport Management

An Advanced Technical Certificate may be earned at this point.

***An AAS may be earned at this point for successful completion
of these academic courses in addition to the technical courses.**

Page 246 – Physical Therapist Assistant.

The following statement has been added to the first paragraph at the bottom of the page:

Please note that only BIO 2524 and 2524 meet the A & P requirements for this program. If a student took A & P at another college, he/she must be sure that the courses will articulate to Holmes's BIO 2514 & 2524. Other A & P courses will not be accepted to count towards class selection or PTA graduation requirements.

Page 248 – Requirements for the PTA Associate of Applied Science Degree (AAS)

The following sentence has been changed as follows:

The student must complete the Physical Therapist Assistant Program with a minimum quality point average of 2.0 on the prescribed coursework to receive the AAS.

Page 248 – Physical Therapist Assistant Application & Admission.

The following sentence has been added to “Complete the PTA application” (available February 1 via the Holmes website for the next January class)

Page 235 – Funeral Service Technology

The following sentence has been removed:

All Funeral Service Technology students must take the National Board Examination (NBE) prior to graduation."

The word Degree has been added to Funeral Service Technology Degree Program at HCC in the program description.

Page 236 – The final paragraph has been and replaced with the following:

National Board Examination pass rates, graduation rates, and employment rates for this and other ABFSE-accredited programs are available at www.abfse.org. To request a printed copy of this program's rates, go to Room 204C, Madison Hall, Ridgeland Campus or by email at tgarrett@holmescc.edu, or by telephone at 601-605-3327

The following Technical Course Descriptions have been changed:

ENT 1223 Industrial Power Tool Applications.

This course is designed to teach students the safe and proper use of various hand and stationary power tools. This course includes instruction in the use of hand power tools, bench grinders, table saws, planer, cut-off saws, and drill presses. Two lectures. Two hours lab. Three hours credit.

ENT 2323 Industrial Welding and Metals.

This course is designed to give the student instruction in different metals and their properties using basic SMAW welding and oxy-fuel cutting and brazing. Two lectures. Two labs. Three hours credit.

I certify the above amendment is true and correct in content and in policy.

A handwritten signature in black ink that appears to read "Fran Cox".

____October 23, 2015_____

Dr. Fran Cox, Vice President for Academic Programs
